Re: *The Wave Studio, LLC v. MasterCard International Incorporated, et al.,*
Case No. 7:14-cv-08322-CS

Dear Judge Seibel:

Pursuant to the Court's Individual Practices, the parties respectfully request a third extension of the deadlines for plaintiff The Wave Studio, LLC to respond to the defendants' motion for consolidation and for defendants MasterCard International Incorporated and Virtuoso, Ltd. to reply in support of that motion. Pursuant to the Court's Order of January 30, 2015, granting the parties' first request for an extension, Plaintiff's response brief is currently due February 16, 2015, and Defendants' reply brief is currently due February 23, 2015. The parties request that Plaintiff's response be due March 2, 2015, and Defendants' reply be due March 9, 2015. The parties propose an adjournment of the bench ruling currently set for 2:00 p.m. on March 12, 2015, to a later date consistent with the Court's calendar. This is the third request for an extension of these dates, and it is made by agreement of the parties. These extensions are requested because, although settlement has not yet been achieved, the parties continue to be engaged in potentially fruitful settlement discussions, and the requested extensions will not prejudice the rights of any party.

Sincerely,

B.C. Kimrey
